

BETTENDORF FINE ARTS PATRON MEMBERSHIP FORM

As a leader in the arts, the Bettendorf Community School District continues to strive for better academic achievement, as well as opportunities for our students. Our students come to us with individual talents and interests. Regardless of discipline, they all have a desire to be challenged and achieve. Our dedicated staff works personally with each student, taking seriously the responsibility to enrich their lives and broaden their exposure to the Fine Arts.

The Bettendorf High School Fine Arts Boosters is an organization that is dedicated to supporting and promoting our talented students in all aspects of the Arts. These young musicians and thespians will be our future leaders and it is our responsibility to provide them with the best possible learning experience.

In an effort to partner with the community, our District has adopted a Patron Program to help raise funds for all Fine Arts disciplines. Students will benefit from this program by:

- *The purchase of sheet music, instruments and educational materials for all arts programs.
- *Scholarships for various Fine Arts camps, senior college funds, etc.
- *Replacement of other fundraising activities.

Yes, I would like to support the future of Bettendorf Fine Arts programs!

Levels of Giving: Your name will be included as a patron in ALL Fine Arts programs.

Golden Baton - \$500 and over
Encore - \$250 - \$499
Forte - \$100 - \$249
Mezzo Forte - \$50 - \$99
