

NEW!

Arconic Foundation Internship Program

Thanks to a special **Arconic Foundation grant**, students now have the unique opportunity to serve internships with several different area companies.

- Minimum of 100 hours over 8 to 12 weeks.
- Earn \$10 per hour/ 19 hours per week over the summer
- Orientation to the company and its different career paths.
- Job shadow at least two employees with different careers and experience the jobs first hand.
- Mentors help create a future career plan.
- Learn valuable workplace skills and gain hands-on experience for your resume.
