No Pass No Play:

If a student is not passing all classes at the end of a final grading period, the student is ineligible for the first period of 30 consecutive calendar days in the interscholastic athletic event in which the student is a contestant. There is no requirement that the student competed in the sport previously. Students in baseball or softball have the same penalty as all other students.

Iowa Code 281-36.15 (208) (h): A student is not eligible to participate in an interscholastic sport if the student has, in that same sport, participated in a contest with or against, or trained with, a National Collegiate Athletic Association (NCAA), National Junior College Athletic Association (NJCAA), National Association of Intercollegiate Athletics (NAIA), or other collegiate governing organization's sanctioned team. A student may not participate with or against high school graduates if the graduates represent a collegiate institution or if the event is sanctioned or sponsored by a collegiate institution. Nothing in this subrule shall preclude a student from participating in a one-time tryout with or against members of a college team with permission from the member school's administration and the respective collegiate institution's athletic administration.

Attendance: Students must attend all classes during the school day in order to participate in extra-curricular activities unless the student has prior administrative approval.
