

The **Putnam Museum** is looking for students who are interested in volunteering to assist summer camps. It would best serve their needs if you could sign up for a full week of camp. They are looking for one student volunteer per camp week and will be first come first serve for assigning weeks. **Please contact Bridget Boyd-Carlson at 563-336-7308 or putnam.org** if you are interested, and list the particular weeks you are interested in.

Week 1 **June 13 – 17**

Magic Tree House: Oh, Man. Mummies!

Half Day AM Camp, M-F

June 13-17, 9-12pm

Grades K-2

Meet at the Putnam's Tree House and get ready to get wrapped up in Egypt! Bring your imagination, and adventure back in time to an ancient place with daily morning story time. Investigate mummies, pyramids, plants, and animals as we make the journey! Create African art, see tomb treasures, and discover the history hidden in the Putnam's tomb!

Rad Robots

Half Day PM Camp, M-F

June 13-17, 1-4 pm

Grades K-2

Join us on a wild coding adventure. The possibilities are endless with Dot and Dash, the Putnam's programmable bots! Explore basic coding and the terrific technology in the Putnam's Lab!

Week 2 **June 20 – 24**

Magic School Bus Adventures

Half Day AM Camp, M-F

June 20-24, 9-12 pm

Grades K-2

Join Ms. Frizzle and her class on extraordinary adventures all week. Buckle up for exciting exploring and remember "Seat belts, everyone! "This is NOT a normal field trip, hop on the bus and get lost in our solar system, travel through the human body, and be ready to "take chances, make mistakes, and get messy!" You won't want to miss this adventure off the beaten path.

Natural Explorer

Half Day PM Camp, M-F

June 20-24, 1-4 pm

Grades K-2

Investigate our Earth and what makes our planet amazing! Explore water, weather, and our bright, bold Sun. Campers will discover the wild wonders of the world. Join us as we explore together! You won't want to miss this adventure off the beaten path.

Week 3 **June 27 – July 1**

Wizardry

Full Day Camp, M-F

June 27-July 1, 9-4 pm

Grades 3-5

Join us for a magical week, exploring spells, potions, and what it takes to be a master of wizardry in today's world. Grab your wand, discover your gift, and team up for a week full of fun competition while encountering mythical creatures and artifacts. Embark on a quest to discover the secret science behind the magic in this magical mix up!

Week 4 **July 6 – 8**

Putnam Mad Science

Full Day Camp, Three Day Camp, W-F

July 6-8, 9-4 pm

Grades 3-5

Explosions, experiments and excitement! Get geared up for safe science, brews, goos, and chemical concoctions! Join us in the Lab for three days of science fun for everyone.

Week 5 July 11 – 15

Survival: Camp Z

Full Day Camp, M-F

July 11-15, 9-4 pm

Grades 3-5

Who will make it to the end? Gather with other survivalists and put your skills to the test while preparing for the undead uprising. Learn the necessary skills to outlast a ZOMBIE apocalypse. Strengthen your awareness, observation skills, and wilderness survival abilities. There will be training on building shelters that can withstand damage, mastering an obstacle course, and learning how to disguise yourself as a zombie! Are you up for the challenge?

Week 6 July 18 – 22

Mystery at the Museum

Full Day Camp, M-F

July 18-22, 9-4 pm

Grades 3-5

Work together to search for evidence, collect clues, discover secret messages, solve puzzles, and accomplish tasks to solve mysteries at the museum! During this fun forensic camp, learn what it takes to investigate and crack the case! Complete your training and embark on the ultimate mission. Will you solve the mystery in time?

Magic School Bus Adventures

Half Day AM Camp, M-F

July 18-22, 1-4 pm

Grades K-2

Join Ms. Frizzle and her class on extraordinary adventures all week. Buckle up for exciting exploring and remember “Seat belts, everyone! “This is NOT a normal field trip, hop on the bus and get lost in our solar system, travel through the human body, and be ready to “take chances, make mistakes, and get messy!” You won’t want to miss this adventure off the beaten path.

Week 7 July 25 – 29

Summer STEAM

Full Day Camp, M-F

July 25-29, 9-4 pm

Grades 3-5

Science. Technology. Engineering. Art. And... MAKERSPACE? Join us at the Putnam for a crazy creative week full of design challenges that test your talents with using technology, building, designing, and inventing. Come prepared to explore the world of artists, engineers, and scientists!

Jr. Mystery at the Museum

Half Day Camp, M-F

July 25 - 29, 1-4 pm

Grades K - 2

Work together to search for evidence, collect clues, discover secret messages, solve puzzles, and accomplish tasks to solve mysteries at the museum! During this fun forensic camp, learn what it takes to investigate and crack the case! Complete your training and embark on the ultimate mission. Will you solve the mystery in time?

Week 8 August 1 – 5

Wizardry

Full Day Camp, M-F

August 1 – 5, 9-4 pm

Grades 3-5
